## PROJECT CONSTRUCTION NOTICE

Danus Utilities Inc. is an underground utility contractor that will be working for Brevard County Utilities to improve the sanitary sewer system in your area. The installation of a new sewer gravity main and Lift Station will be on Ibis Ln between the intersection of Penguin Dr & Cardinal Dr. The construction will start November 13th and should approximately take 60 days to complete. There will be times when traffic could be narrowed down to one lane during daylight hours. We will make every effort to keep traffic flowing smoothly at all times. Sewer service will not be affected. If there are any questions about this project, feel free to contact Danus Utilities Inc. at (386)233-5588.

Thank you,

Dan Pardus

President

Danus Utilities Inc.
