**Approval of Minutes:** – February 10, 2025 any additions/corrections?

### **Reports:**

#### **President – Ayn Samuelson:**

- **SPRA Website:** Visit for updates & links. **Community Projects:** Project suggestions through area directors are welcome.
- **Boating/Watercraft Reminder:** The wake zones throughout our canals is *slow speed minimum wake zone*, especially with dredging that began in mid March
- **FUDS:** The U.S. Army Corps of Engineers will begin field work on the disposal site the week of April 14<sup>th</sup> and ongoing for 4 to 6 weeks. The project is scheduled to proceed as follows: dig test pits; monitor the air quality; determine if any debris found is military-related debris and if so determine the type; collect soil and/or water samples as found; & address any risk found.
- **Dredging Update:** Dredging began in March in the canal between Skylark and Sandpiper and will next continue in the canal between Sandpiper and Cardinal. After that, there is some cleanup at the GC and Penguin, then onto the canals at the northeast end of the GC (Thrush, Sparrow, Eagle & Finch). After that, the Berkeley Canal will be dredged.
- **South County Landscape Manager:** [Todd.Malhovich@brevardfl.gov](mailto:Todd.Malhovich@brevardfl.gov)
- **Berkeley canal stormwater concrete flume** along Jolly Rodger is broken and dislodged and is not properly draining into the canal. Ayn reported the issue to D4 for repair.
